

The Edge Electric Cleaning Kit

The Edge power head is designed for maximum power and consistent performance for deep, thorough cleaning. With a sleek, light-weight, low-profile body, a 360° swivel neck, and a 13" wide cleaning path, the Edge has excellent maneuverability for cleaning anywhere, especially in tight areas. The Edge also provides effortless vacuuming with its oversized rear wheels and five settings for carpet height – it easily glides and doesn't get bogged down on heavy pile carpet. A tap of the foot lets you adjust carpet height, release the wand, or unlock the neck, so there's no bending over! And the LED headlight lets you see what you're vacuuming. Convenient cleaning, effortless maneuverability, and durable construction. *What's not to like?* Also comes with 30' Electric on/off hose, 2 deluxe adjustable wands, 12" bare floor brush, premium crevice , dusting & upholstery tools, Blue VacPac tool caddy and wire hose rack.
